Performance Data

| Academic Year | Test | Results | Exam Board | Commentary |
|---------------|---|--|--|--|
| 2024-2025 | Functional Skills Reading Health and Safety | Level 3 Pass Pass | Open Awards High Speed | <p>Year 11 Learner Context</p> <p>In 2024–2025, three Year 11 learners sat a range of Functional Skills tests. Two out of the three learners joined EMLM at the start of the academic year. Amongst our Year 11 cohort several learners had experienced many challenges that impeded their participation in the examinations:</p> <ul style="list-style-type: none">- Extended periods of time out of formal education prior to joining- Poor attendance and punctuality, with irregular attendance continuing to disrupt continuity of learning- Low self-esteem and confidence, often compounded by limited prior experience of sitting formal examinations. <p>These factors have had a significant impact on the learners' progress, attainment and readiness for taking assessments.</p> <p>Attendance Improvement: Despite historic difficulties with attendance, three out of the eight Year 11 learners demonstrated significant improvements when compared with their previous placements:</p> <ul style="list-style-type: none">• Learner A: 0% → 60%• Learner B: 0% → 43%• Learner C: 0% → 69% <p>This progress reflects increased engagement, improved consistency of routine, and a growing sense of belonging within EMLM.</p> |
